

JUNE WEBINARS

Wednesday
June 17th 2020

2020 SUMMER INSTITUTE

CalTeach at
UC Merced

Presenter: Adrienne Nau

Creating a community of distance learners

Come learn how to engage students in establishing and reinforcing routines, procedures, and expected behaviors in a distance learning environment to create a community of learners online.

About the Presenter:

Adrienne has been a lecturer for the NSED department for the past year and half and has enjoyed sharing her sixteen years of experience teaching middle school science with her students. She loves to share the opportunity to integrate the subjects of STEAM to enhance student engagement and inquiry with her students at UC Merced.

Who is the webinar session open to?

K-12 Teachers

When is the session:

June 17th: 2pm to 3:30pm
