

CalTeach at UC Merced NatureBridge Externship Spring 2020

Deadline to Apply:
Feb. 7th

Application materials can be found at:
<https://calteach.ucmerced.edu/outdoor-education>

This week-long externship takes place during spring break (March 23rd- March 27th) at Yosemite National Park. The externship experience focuses on creating a bridge between the outdoors and K-12 education.

What is the NatureBridge Externship?

- Food/lodging paid for & \$250 stipend upon completion
- Great experience for undergraduates at UC Merced who hope to become a teacher or have an interest in education
- This experience also counts for a co-curricular badge for freshman who started in Fall 2018.

Yosemite National Park Location

- Learn how to deliver hands-on science lessons in one of the world's most stunning geologic wonders.
- Curriculum focused on Life Science & Ecology, Watershed Studies, Earth Science & Geology
