https://commerce.cashnet.com/UCME251_W1

SUMMARY OF WORKSHOP

During the week, you will learn how to bring your creative ideas to life by designing websites or apps. Various languages and programs covered: Figma, HTML, CSS, Java Script. Finishing it off with a Design Hackathon to see the amazing projects created using the skills learned throughout the week.

MEET THE INSTRUCTOR

I am born and raised in Los Angeles, CA and currently living in South Merced. I am a 3rd year Computer Science and Engineering major at UC Merced.
