WHAT IS CALTEACH?

Come to our workshop to get a brief overview of our two education minors at UC Merced.

We'll go over:

- How students interested in teaching K-12 can get a headstart on their teaching credential courses as undergraduate students.
- Introduce our two teaching courses (NSED 23/24 and NSED 33/34), which give students an opportunity to go into local classrooms and complete fieldwork hours

* These minors & courses are open to first-year students *

SEE YOU THERE!
