Merced City School Math Tutoring

Internship

Interns will be paired up with a local middle school & will provide tutoring/mentoring in a remote and in-person hybrid model. Interns will receive a \$600 stipend upon successfully completing their hour requirement.

REQUIREMENTS:

- Must have reliable transportation to their assigned school site
- Must be free for 4 hours between the hours of 9am-12pm or 2pm-5pm (Monday-Friday)
- Open to all majors but must be comfortable tutoring 7th-grade math (algebra)
- Complete 40 hours of tutoring per semester

The current hybrid model has been designed according to current local and state COVID-19 guidelines. Adjustments may be made during the internship to accommodate guidelines.
