

# B S A

## MIDDLE SCHOOL:

### BACK TO THE FUTURE: TIME TRAVELING THROUGH CALIFORNIA'S BIODIVERSITY

#### HOW MUCH IS THE WORKSHOP?

The workshop is \$100 a student.

*What does this include?*

*Students will be provided lunch and snacks.*

*Please have them bring a reusable water bottle!*

#### WHEN IS THE WORKSHOP?

June 27th- July 1st, 2022  
9am-4pm every day

#### IS THIS WORKSHOP IN PERSON?

Yes, students will need to be on UC Merced's campus. Students will meet on South Campus near the Bellevue Lot (near UC Merced sign with palm trees)

#### HOW CAN I REGISTER MY STUDENT?

Register here:

[https://commerce.cashnet.com/UCME251\\_W1](https://commerce.cashnet.com/UCME251_W1)

#### SUMMARY OF WORKSHOP

This workshop will introduce students to California biodiversity – how species are connected to one another and their environments today and in the past, what those connections say about the future, and why biodiversity is important to humans.

#### MEET THE INSTRUCTORS

Corey Shaver & Reina Warnert
