

Spring 2018

STEAM Center Internship

The CalTeach program is looking for interns for the STEAM Center for the Spring 2018 semester

What is the STEAM Center?

The new STEAM center is aimed towards Math, Science, Art, Technology, and Engineering in 4th- 6th grade levels. The center is located at Ada Givens Elementary and allows students a chance to experience hands-on and challenging lesson plans.

What are the responsibilities as an intern?

- The STEAM Center will be hosting local schools two to three days a week to engage students (4th-6th grades) in hands science and math activities and interns will be responsible for helping with the day to day activities.
- Interns will be responsible for completing 40 hours throughout the semester at the STEAM center

How do the interns benefit?

- This is a great opportunity for anyone interested in education
- Upon completion of hours, interns will receive a \$500 stipend

How to Apply:

- Email your resume and cover letter to Hijab Chaudhry (hchaudhry@ucmerced.edu)
- Deadline to apply: Friday, January 19th, 2018
