CALTEACH UC MERCED PRESENTS:

Solar Car Challenge Training

This event introduces solar energy and engineering design applications to participating students. Teachers who attend a CalTeach Solar Car Challenge training are eligible to register student teams and help them design their solar cars prior to the day of the race in March 2022.

ATTEND THE SOLAR CAR CHALLENGE TRAINING!
✔ Learn about the Solar Car Challenge 2022
✔ Build your own solar car
✔ Be eligible to receive materials for your teams

DATE AND TIME
Join us on July 27th and 28th from 4-6pm both days in the CalTeach Learning Lab at UC Merced.
